INFO

M2 MULTI-TIP SHOWER/COMMODE

Our shower/commode chairs are well known for their elegant design and strong frame. We have many chairs in our range that comes in different sizes and with functions for every need.

This brochure is about our M2 Multi-Tip, which is electrically height and angle adjustable. This is some of the smart features on the chairs:

- Stainless steel frame
- Electric height adjustment is independent of seat angle
- PU foam seats
- Wheels with closed circuit that make them resistant to hair and dirt
- User-friendly features
- A wide range of accessories ensures good customization options for the individual user

Read about our shower/commode chairs in this brochure.

M2
MULTI-TIP

M2 Multi-Tip is equipped with a closed, waterproof electrical system with no visible wires. The power plug can be found under the cover at the front of the chair and plugged directly in for the power outlet—without the use of an external charger.

It is possible to check the remaining power at the battery symbols at the top of the hand control.

The chair can be adjusted independently in seat height tip function. This gives the best opportunity to place the user in the correct position. The adjustable netweave backrest ensures optimal support and the wide range of accessories provides a comfortable experience.

With their low entering height, the users who have the strength can sit down themselves and are not forced to use a lift. (Negative tilt—forward)

Lowest seat height

M2 Multi-Tip:	50 cm
M2 Multi-Tip Mini:	48 cm
M2 Multi-Tip Big 200 Kg:	52 cm
M2 Multi-Tip Big 250 Kg:	56 cm

IDEAL SHOWER/COMMODE
WHEN THE WORKING ENVIROMENT IMPROVED

M2 Multi-Tip is the right choice if you want to improve the helpers working enviroment.

The Multi-Tip chairs is equipped with 125 mm or 150 mm wheels with closed shaft that make them resistant to hair and dirt.

Multi-Tip chairs are as standard equipped with directional fixed wheel which will ease the manoeuvring and secure the working enviroment for the helper. The directional wheel has another color then the other 3 wheels.

As standard equipment, you will receive a comfortable hipstrap for safety which gives the user a good sense of security.

MULTI-TIP
SHOWER/COMMODE CHAR

HORSESHOE SEAT
Art.no. 310801-B

STANDARD SEAT
Art.no. 310800-B

Multi-Tip is a unique shower/commode chair made to fulfill the demands of the future. The electric adjustment of the height is independent from the tip function. It can handle users up to 150 kg. The horizontal seat height can be adjusted from 50 to 95 cm, and the seat angle can be tipped from –5° forwards to 35° backwards, using the hand control.

With a low entering height at just 50 cm, the users who have the strengt can sit down themselves and are not forced to use a lift. The electric height and tip function is stepless and independently adjsutable. The adjustable netweave backrest ensures optimal support and the wide range of accessories provide a comfortable experience.

It is also possible to get the M2 Multi-Tip with a PU backrest instead of the traditional netweave back.

The advantage of the firm back is that the chair is easier to clean and therefore more suitable for re-lending.

M2 MULTI-TIP WITH FIRM BACK	
Material	Stainless steel
Seat width	46 cm
Seat depth	44 cm
Max. User weight	150 kg

With a low entering height at just 48 cm, the users who have the strength can sit down themselves and are not forced to use a lift. Our M2 Multi-Tip can handle users up to 80 kg and has 33 cm between the armrests. The armrests are equipped with soft PU foam and quick release locks.

M2 Multi-Tip Mini is as standard delivered with magenta lift bars but it is also possible to but the chair with blue lift bars. The chair hasn't got a shell that needs to be replaced as the user grows, but rather a product that is so flexible that it can follow the childs development day by day. There are many accessories available, making it possible to adjust to the user.

MULTI-TIP BIG 250 KG

SHOWER COMMODE CHAIR

HORSESHOE SEAT
Art.no: 310813

M2 Multi-Tip Big 250 kg is our largest shower commode chair in the Multi-Tip line. It has 70 cm between the armrests and a seat width of 74 cm. The chair is reinforced to a maximum user weight of 250 kg, and the seat is extra soft for optimal comfort. The armrests are equipped with soft PU foam and a snap lock.

The functions are the same as on our other Multi-Tip chairs, but in this shower commode chair there is extra space for larger users.

- The seat height is electrically adjusted from 56-95 cm.
- The seat angle can be adjusted from app. -6.5 ° to app. 35 °.
- All the functions of the chair can be operated from the hand control.
